"Ground One"

Violation of my civil rights

(A) Since 8/24/2020 David Schilling et. al. has maliciously continued, knowingly placing me in harms way but not housing me in a (American Disability Act) accessible accommodation which they have. (B) yes

"Ground Two"

Violation of my Constitutional rights

(A) Since 8/19/2020 I have been denied due process, which David Schilling et. al. knowingly took from me. I have not spoken to any detective to tell my side of events. They denied me a preliminary hearing which was dated 9/3/2020. Call on maliciously accepting the accusers facts which aren't true & a doctored up registered warrant. (B) yes

"Ground Three"

Cruel and Unusual Punishment

(A) David Schilling et. al. did knowingly take me out of civil & constitutional rights playing field, solely for the malicious & knowingly cruel purpose of punishing me, just for the outcome of another conviction. Also assuming that I was guilty of said crime, due to my past convictions.

"Ground Four"

Unlawful imprisonment: due process

(A) David Schilling et. al, under sworn oath to abide by the law that governs them committed a terrible crime they took away my rights, imprisoned me, the grand jury came w/ a bogus indictment denying me due process and a preliminary hearing, while ask me to pay ~~from~~ for my freedom back in the form of bail. They broke the law when they approved my registered warrant to be independently examined by all parties and determined that there is a reasonable basis to believe that the statement is credible. They even stamped, filed, and dated this sham in the Clerk of Courts. Even without a judicial review of information from a acting judge. "This is a malicious act." Bishop Olu-Cyrus never called the police to report & falsely accuse me until 8/2/2020. For whatever reason all parties know theres doubt in her story. So instead of questioning me which no one ever have. The warrant has been doctored up, to get the knowingly malicious impression that, Bishop Olu-Cyrus made the complaint on 7/29/2020 which everyone signed except a judge as a sworn statement

14) I can't trust David Schilling et. al.

15) I want my State of Ohio Cosmetology & Barbers License renewed, due to me not being able to renew them since I've been kidnapped.

I want \$475,000 for violating my Civil & Constitutional rights, and wrongful imprisonment, pain and sufferings.

I want \$200,000 in punitive damages
"Released as soon as possible"
